

EARTHSHINE

Net weight: 7 lbs (3.17 Kg)

Description:

GreenGro Earthshine is an amazing all natural soil enhancer that takes its cues from the ancient Terra Preta soils of the ancient Amazon region. We include premium ingredients to create a powerful amendment that increases gardener's ability to reuse old soil, upgrade poor quality soil, and create fast acting compost teas.

Instructions for use:

Use with soil or soilless media. Product is in semi-powder form, but not suitable for aeroponic or hydroponic recirculation systems.

To reuse old soil: mix liberally into soil at rate of 16 oz per 4 cu ft of media.

Transplant: Mix 1 tablespoon into transplant hole and gently mix in pr lightly dust root ball. Will not burn roots. Use with GreenGro Mycorrhizae.

Boost new soil: apply 8oz per 4 cu ft of new soil.

Make Compost tea: add 1 oz per 5 gallons of purified water and aerate for 6 hours. Apply to plants at time of watering.

Soil rescue remedy: If garden is established, top dress once every 4 weeks with 4 oz around base of plant and water thoroughly.

Bulk Soil mixing: add 30lbs per 4 cubic yards of soil and till in thoroughly.

For maximum effectiveness use within expiration date listed on the product.

GUARANTEED ANALYSIS

Total Nitrogen (N).....1.62%

1.62% Water Soluble Nitrogen

Available Phosphate(P_2O_5)....0.22%

Soluble Potash (K_2O).....0.55%

Derived from: Soybean Meal, Worm Castings

ALSO CONTAINS NON-PLANT FOOD INGREDIENT:

5% Humic Acid derived from Leonardite

Soil Amending Ingredients: Wood Biochar, Glacial Rock Dust
